No.26, kavarapalayam Street,
Bhuvanagiri - 608 601.

Driven and passionate web developer with a Bachelor's degree in Computer Applications (BCA, 2024) and hands-on experience in core front-end technologies like HTML, CSS, and JavaScript. Skilled in Python and beginner-level React.js, I am committed to continuous learning and applying innovative solutions. I seek to join a forward-thinking organization where I can contribute to impactful web development projects, enhance my technical expertise, and grow as a professional.
